Jack Skellington's favorite

1. "The Twelve Graves of  
Christmas"
2. "Jingle Bones"
3. "Have Yourself a Mortuary  
Christmas"
4. "O-Tan-Embalm!"

IMAGINE THE WORLD'S SKINNIEST SKELETON—WITH A PUMPKIN HEAD —  
— AND YOU'VE CONJURED UP JACK SKELLINGTON, THE PUMPKIN KING,  
THE CREATOR OF HALLOWEEN, THE BRO WITH THE MOST BONE-  
CHILLING SCREAM ON THE PLANET. HE KEEPS HALLOWEEN ON  
COURSE YEAR AFTER YEAR. UNTIL NOW.

How come Sally is always hanging around Dr. Finkelstein's laboratory?

Because he keeps her in stitches!

# Sally

Major rag doll in the movie. Longs for Jack to notice her. Thinks Jack is so rad. Will follow him anywhere. And does.

To the cemetery. Sees how tortured he is. Just like her. She's edged about Jack doing Christmas.

Thinks Jack will fully lose it. Wants to help Jack. Wants to be noticed by Jack. Will he ever see her?

Makes excellent Deadly Night Shade soup. Can lose her limbs while falling. Can stitch herself back together. Crude but fully.

# JACK + ZERO

our man, jack skellington, the king of the pumpkin patch. Halloweentown's very own special guy. A witch's fondest dream. But this year, Jack wants to give it all up. There's a hollow, empty feeling in his bones. Something's missing. it's just not happenin' for him anymore. Then he discovers Christmas! He thinks the best way to enjoy Christmas is to take it over. Which he does. Big time. Jack's ghost dog, zero watches as Jack experiments with Christmas toys - they must have some fright value. After all, scaring people is what Jack does best.

# Tim Burton

One of today's most creative and exciting filmmakers. He brought us the totally inventive PEE WEE'S BIG ADVENTURE, the gruesome, awesome, BEETLEJUICE, the extraordinarily dark BATMAN, the fully entertaining and poignant EDWARD SCISSORHANDS, and, of course, the equally extraordinary BATMAN RETURNS. Tim came up with the idea for NIGHTMARE BEFORE CHRISTMAS ten years ago, and now he's getting to DO it, big time!

## Henry Selick

Tim Burton chose Henry to direct *Nightmare Before Christmas* because of his 1990 acclaimed short, *Slow Bob in the Lower Dimensions*. With some innovative segments for MTV, Henry established himself as a creative animator and designer. This is Henry's feature film directing debut.

## DANNY ELFMAN AND THE MUSIC

This founding member and lead singer of the legendary rock 'n' roll band Oingo boingo, has scored all five of Tim Burton's movies. He's written the music for a bunch of other ones, too, like **BIG TOP PEE WEE**, **DARKMAN**, **MID-NIGHT RUN**, **DICK TRACY** AND **SOMMERSBY**. If you watch programs other than MTV, you've also heard danny's mUSIC on **the simpsons**, **tales from the crypt**, and **the flash**. **NiGHTMARE BEFORE CHRISTMAS** is full of haunting melodies and songs. Danny wrote them more like an old fashioned musical. they tell the story as they go along. they're smart and sophisticated. as the singing voice of jack, Danny brings this incredible sense of longing that jack feels right into your skull. This music is way cool. if you want to hear what **NiGHTMARE BEFORE CHRISTMAS** is really about listen to the CD!
